

Articulation Application Form

20

Semester One

Semester Two

Student Number:

The following documents must be attached to this Articulation Application Form. Please tick the relevant boxes to indicate that the relevant forms have been attached

Academic Record

Undergraduate Registration Form

Senior Certificate or similar / NSC / A Level or O Level

Please read the following instructions before completing enrolment this Enrolment Contract. Please use block letters and a black pen.

1. This Articulation Application Form must only be completed by students wishing to articulate from a Teach-out (pre 2011) programme to a new programme (as from 2011).
2. This Articulation Application Form may not be faxed or e-mailed to the IMM Graduate School of Marketing (IMM GSM).
3. Read the IMM GSM Student Yearbook as well as the Prospectus before completing and submitting this Articulation Application Form together with all relevant information.
4. The IMM GSM cannot accept/process incomplete Articulation Application Forms even any programme fees are outstanding. The onus rests upon the student to provide all outstanding information/documentation in order for the IMM GSM to process the Articulation Application Form.
5. Late registration fees will apply when the Articulation Application Form and/or Undergraduate registration Form is received after the due date, even if the payment was received by the due date.

| <input type="checkbox"/> Diploma in Marketing Management | <input type="checkbox"/> Diploma in Export Management |
| <input type="checkbox"/> Bachelor of Business Administration in Marketing Management [BBAMM] | |

SECTION C. STUDENT DECLARATION

1. I understand and accept that this Articulation Application must first be approved by the Dean of Faculty before I may commence the articulation.
2. I understand and accept the consequences of articulating from a teach-out programme to a new programme, such as the difference in NQF levels of the teach-out programmes vs the new programmes, the difference in number of modules and that only 50% of modules may be credited from one new programme to another.
