

TUTORIAL PROGRAMME OCTOBER 2011 EXAMINATION SESSION

Let's face it – writing exams can be a stressful time for many. So to assist you in preparation for the October exams, we are offering you the opportunity to attend the **IMM Graduate School of Marketing (IMM GSM) tutorial programme**.

The tutorial programme consists of tutorial sessions, which are not lecture-based, but instead address the 'problem' areas that students generally experience within the syllabus.

Once you have submitted the registration form, you will be informed either telephonically or via e-mail regarding which modules will be presented. Tutorial sessions will only be conducted if a minimum of 10 students attend the session.

If we are unable to present the module for which you have registered and paid, your IMM GSM student account will be credited.

The tutorial sessions will commence on 17 September 2011. Please complete the attached registration form and fax to Dinah Sekele on (011) 726 4505 or e-mail dinah@immgsm.ac.za. The closing date is 10 September 2011.

To ensure that the tutorials focus on areas of difficulty, please indicate these respective areas or other concerns on the registration form.

Venue:

Atlas Studios
33 Frost Avenue Cnr Owl Street
Braamfontein Werf (Bordering Milpark)

Cost:

R 650-00 for Statistical Analysis (12 hours spread over 4 Saturdays)
R 450-00 for all other subjects (12 hours spread over 4 Saturdays)
